PRECAMP PACKAGE

UOFT.ME/SCIENCECAMP

Congratulations on being selected to participate in the Science Unlimited Summer Camp.

The workshops you will take part in have been developed by the Departments of Astronomy and Astrophysics, Chemistry, Computer Science, Earth Sciences, Mathematics, Physics and the School of the Environment. They are sure to challenge and inspire you. The schedule for the week and links to the websites of each department are on the next page.

This package contains important information for your week with us - please read it carefully.

Policies and Procedures

Where do I go each morning? Please report to the Department of Physics - McLennan Physical Labs (address above, directions on page 2).

What time is camp? 8:30am-4:15pm daily. Sign in starts at 8:30am and you should be ready to walk over to your activity by 8:45am. Workshops finish at 4:00pm, you will walk back to U of T Physics, sign out and be ready to go home by 4:15pm.

Health Insurance
Canadian Residents
Please bring your provincial health card and keep it with you at all times. Your card is required to gain access to health services in Ontario. If you are from outside the province, Ontario will bill your home province based on the information on your health card.

Non-Canadian Residents
You must purchase health insurance PRIOR to arriving in Canada. Please ensure you bring all health insurance documents with you and keep them with you at all times.

Absences
You are expected to arrive on time and participate in all programs provided. Attendance will be taken each morning by camp staff and any absences without prior notice will result in a call placed to your parent or guardian. If you must miss a camp activity for any reason written permission from a parent or guardian needs to be obtained prior to the start of camp. In case of illness, please call our main office at 416-978-2231 before 9:30am.

Meals
You are encouraged to bring your own lunch to camp. If you wish to purchase lunch there are a number of on/near campus options for food. In order to travel off campus for food, you must have permission. Permission is given by a parent or guardian on the consent and waiver form.

Scents
Please note that the University of Toronto has guidelines on the use of perfumes and scented products:

(http://www.ehs.utoronto.ca/resources/HSGuide/Scent.htm). As such we ask all camp participants to respect these guidelines and refrain from bringing and wearing perfumes, colognes and other scented products during the camp.

Emergencies
If you get separated from your group, you can call the Department of Physics reception at 416—978-2231 and someone will be able to help you. Campus police can also be reached at 416-978-2222 (urgent), 416-978-2323 (non-urgent) or call 911 in an emergency.

What do I need to bring to camp?
- Provincial Health Card
- Any medications you require (puffers, EpiPen, etc.)
- Sunscreen
- Pens, pencils, a ruler and a calculator
- Refillable water bottle
- Mask
- Lunch or money for lunch

ACTIVITIES FOR THE WEEK
Activity descriptions for the week are posted HERE.

INFORMED CONSENT AND WAIVER AGREEMENT
Parent and students review and sign the Informed Consent and Waiver Agreement and email it to outreach@physics.utoronto.ca by August 8, 2025

USEFUL LINKS

Program includes sessions from:
- Department of Astronomy and Astrophysics
- Department of Chemistry
- Department of Computer Science
- Department of Earth Sciences
- Department of Mathematics
- Department of Physics
- School of the Environment

Other useful University of Toronto Links
- University of Toronto
- University of Toronto COVID-19 Updates

DIRECTIONS

Address:
